## Saturating Basque Country With Prayer

Extraordinary prayer is foundational to establishing reproducing communities of Christ followers among the Basque people. A commitment to saturate Basque Country with prayer in a variety of ways has begun. In recent months a noticeable openness to the gospel has been evident. In an effort to continue to intercede for the Basque people, a prayer walk in Basque Country is planned for April 14, 2014.

A team of intercessors will begin in San Sebastian and prayer walk cities and towns extending out from that city hub.
